Education

Godawari College

Higher Secondary Level

2021 - 2025

Itahari, Sunsari

- Bachelor of Computer Science and Information Technology(**B.Sc.CSIT**) — **percentage: 67.50**

Sushma Godawari College

Higher Secondary Level

2018 - 2020

Itahari, Sunsari

- Computer Science — **GPA: 3.07**

Work Experience

Youth IT

Frontend Developer Intern

Feb 2025 - May 2025

Itahari, Sunsari

- Developed a hospital website using **ReactJS**, **Vite**, and **Tailwind CSS**, ensuring responsive UI and seamless user experience.
- Integrated **Django RESTful APIs** for dynamic data and collaborated with teams using **Git** for version control.

Blue Fox Pvt Ltd

Frontend Intern

Sep 2024 - Nov 2024

Itahari, Sunsari

- Built responsive UI with **ReactJS** and **Tailwind CSS** for a web hosting platform, ensuring cross-device compatibility.
- Collaborated with backend developers using **Git**, integrating **RESTful APIs** for real-time data updates.

Projects

TripNest | Website | Source Code

ASP.NET Core MVC | PostgreSQL | Cloudinary

- Developed a full-stack travel booking platform using **ASP.NET Core MVC** and **PostgreSQL**, enabling users to browse, book, and review tours.
- Integrated **Cloudinary** for optimized image management and implemented secure cookie-based authentication for users and agencies.

Art Portfolio | Website | Source Code

Next.js 15 | Node.js | MongoDB

- Built a modern art portfolio with **Next.js 15** and **Node.js/Express**, featuring a public gallery, commission system, and admin dashboard.
- Implemented **JWT authentication** and **Cloudinary** for secure image uploads and optimized media delivery.

Blockchain Voting System | Website | Source Code

MERN | Solidity | Ethereum

- Created a decentralized voting system using **Ethereum smart contracts** and **MetaMask** for secure, transparent elections.
- Developed a full-stack app with **ReactJS**, **Node.js**, and **MongoDB**, integrating **Web3.js/Ethers.js** for blockchain interaction.

Technical Skills

Languages: Java, MySQL, HTML5, CSS, JavaScript, C, C++, C, Solidity

Frameworks/Libraries: ReactJS, Next.js, Node.js, Express.js, ASP.NET Core MVC

Tools: Git, Postman, Cloudinary, MongoDB, PostgreSQL

Soft Skills

Problem-solving, teamwork, attention to detail, leadership

Strong communication, adaptability, eagerness to learn
